3. Public Transport

From Madrid Barajas airport:

Unfortunately the most straightforward way to Puerto de Toledo, a local train "Cercanías" is under construction, making this option very complicated with 2 extra transfers and a lot of walking.

The best option currently available is by metro. There is only one metro line at the Airport: line 8 (pink). Terminal 4 is the endpoint of line 8 but also Terminal 1, 2 and 3 have a metro stop.

The metro station at terminal 4 can be found at -1. Just follow the signs. Ticket machines are available and there is staff helping you out to use them.

- Take line 8 and change at endpoint "Nuevos Ministerios".
- Take line 10 (blue) in direction of Puerta del Sur and exit at Alonso Martínez.
- Take line 5 (green) in direction of Casa de Campo and exit at:
 - Puerta de Toledo to go to the conference venue and for both Hotel Gavinet and Hotel Puerto de Toledo (see map 1).
 - Pirámides for Hotel Holiday Inn Pirámides (see map 1).

From Puerta de Toledo to Madrid Barajas airport:

- Take Line 5 (green) in direction of Alameda de Osuna and exit at Alonso Martínez.
- Take line 10 (blue) in direction of Hospital Infante Sofía and change at Nuevos Ministerios.
- Take line 8 (pink) to airport.

Taxis: From the airport there are taxis with a fixed rate of 30 EUR. Make sure to go only to the official stop at the main exit of all terminals; the taxis are visible and clearly marked. Uber and Cabify are also available in Madrid.
