DEQAR: project aims

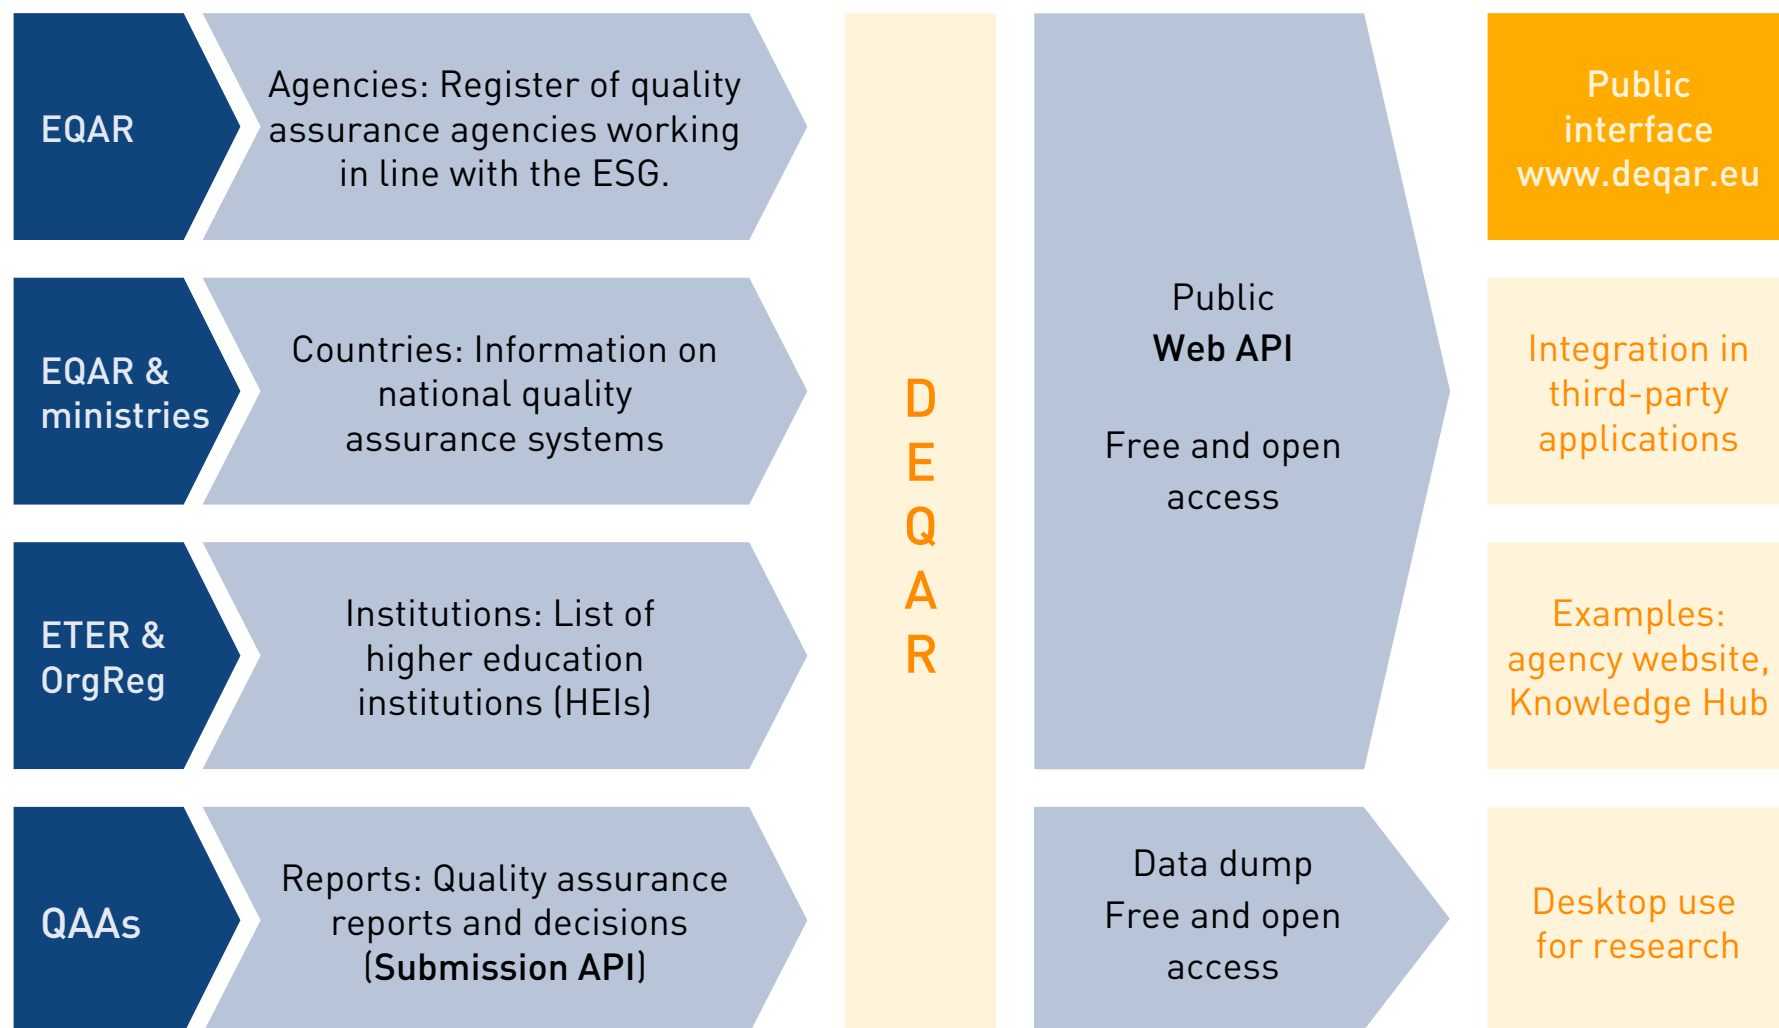

Mission: Collect all external quality assurance reports and decisions performed by EQAR-registered agencies in line with ESG to make these available to various user groups.

Objectives:

- 1) Improve access to information on the external quality assurance of higher education
- 2) Facilitate the recognition of qualifications and thus mobility
- 3) Map the diversity of external quality assurance frameworks in Europe
- 4) Facilitate the exchange of data and links with other tools
- 5) Pilot the use of the database as a basis for Europe-wide thematic studies

National External Quality Assurance Requirements

- **Accreditation of higher education institutions and programmes**
in all three cycles (every five years).
- **Audit of higher education institutions.**
assessment of the quality assurance system of a higher education institution or a faculty (legal changes are envisaged to make audit a voluntary activity).
- **Initial accreditation**
all new higher education institutions (public and private) and all new study programmes of private universities, polytechnics and colleges. Public universities do not undergo an initial accreditation.
- **Re-accreditation of doctoral study programmes**
carried out as a cluster evaluation of the third cycle.
