

## Annex: Overview of Applications and Decisions 2008 – 2019

The following table provides a statistical overview of applications and the Register Committee's decision for the period 2008 to 2019.

Decisions since 2013 are publicly available at: <https://www.eqar.eu/register/decisions/>

The column "Initial" refers to initial applications for inclusion on the register, by agencies not yet registered on EQAR. The column "Renewal" refers to periodic applications by agencies already registered on EQAR for renewal of their registration (every 5 years).
